WHO WE ARE

01

More Than a Restaurant

PC's Paddock is a family-owned American restaurant nestled inside a lovingly renovated 1840s barn in Poughkeepsie, New York. Since opening in 2007, we've been the kind of place where neighbors linger, birthdays are celebrated, and regulars are known by name. Our menu centers on upscale comfort food — smoked low-and-slow on our onsite smoker, finished with herbs pulled fresh from our garden. We offer relaxed dine-in, seasonal outdoor seating, takeout, catering, and delivery. We're not just a meal — we're a gathering place.

BRAND PERSONALITY

Warm and Welcoming
Every guest feels like a regular from the moment they walk in.

Established & Trustworthy
18 years of consistency. A fixture in the Hudson Valley community.

Rustic and Rooted
An 1840s barn, onsite smoker, garden herbs. Authenticity runs deep.

Unpretentious
Elevated food, zero attitude. Comfort and quality without the fuss.

Community-First
We exist because of Poughkeepsie. Every decision is made with our neighbors in mind.
